MEDIA STATEMENT: PLANNED WATER SUPPLY INTERRUPTION: PHALABORWA SCHEME

Ba –Phalaborwa Municipality wishes to inform its residents that there will be water shortage on the 16th May 2017 for a 12 hour period from 06:00 am to 06:00pm. Communications Manager Mr Jonas Mahesu said the Lepelle Northern Water (LNW) will be executing a planned maintenance work at Phalaborwa scheme.

Mahesu explained that reservoirs will be kept at the maximum prior to the shutdown, however, low water pressure and water shortages may be experienced throughout the entire supply area.

He added that some areas may experience low pressure low and shortages of water.” We are appealing to our communities to use water sparingly, said Mahesu.
