FOR IMMEDIATE RELEASE

SUBJECT: WATER RESTRICTION NOTICE

Ba-Phalaborwa Municipality would like to notify its residents about the implementation of Water Restriction By-Law with effect from 30 November 2015.

The restriction is due to the water usage exceeding the actual estimated demand by Lepelle Northern Water and as a result, the municipality will experience low water pressure and in some area a water shortage.

The below mentioned areas will receive water as per specified:

1. RURAL VILLAGES will receive water from **2PM-10AM**
2. NAMAKGALE will receive water from **4AM-10PM**
3. LULEKANI will receive water from **4AM-10PM**

The following time-table should be adhered to on watering of gardens:

AREA	DAYS OF WATERING GARDENS
1. Namakgale	Thursday
2. Lulekani	Tuesday
3. Town (Extension 1 &6)	Monday
Extension 8	Wednesday
Extension 2,3,4 &7	Thursday

Irrigation of gardens is allowed once a week and this should only happen over a two hours period between 16:00 & 18:00.

Town and Township residents are requested to monitor the usage of water not exceeding **1500 litres** per day which gives **45 000 litres** per month. Failure to comply will result in additional charges for extra water used and further restrictions.

Residents are advised to use water sparingly and switch off geysers as they may be damaged due to water shortage.

For more information, contact Mr Mahesu JN on 015 780 6401.
