

DR S S SEBASHE
MUNICIPAL MANAGER

For any complain regarding service delivery call 015 780 6344 from 7h00 – 16h00
 Water stand-by Team @ 083 626 7165 and Electricity stand-by team @ 083 627 8095 from 16h00-7h00.

Residents are advised to use water sparingly and switch off geysers as they may be damaged due to water shortages.
 Irrigation of gardens is allowed once a week and this should only happen over a two hours period between 16:00 & 18:00.
 Town and Township residents are requested to monitor the usage of water not exceeding **1500 litres** per day which gives **45 000 litres** per month. Failure to comply will result in additional charges for extra water used and further restrictions.

DAYS OF WATERING GARDENS	
1. Namakgale	Thursday
2. Lulekani	Tuesday
3. Town (Extension 1 & 6)	Monday
Extension 8	Wednesday
Extension 2,3,4 & 7	Thursday

The following time-table should be adhered to on watering of gardens:

1. RURAL VILLAGES will receive water from 2PM-10AM
2. NAMAKGALE will receive water from 4AM-10PM
3. LULEKANI will receive water from 4AM-10PM

The below mentioned areas will receive water as per specified:

Ba-Phalaborwa Municipality would like to notify its residents about the implementation of Water Restriction By-Law with effect from 30 November 2015.
 The restriction is due to the water usage exceeding the actual estimated demand by Lepelle Northern Water and as a result, the municipality will experience low water pressure and in some area a water shortage.

SUBJECT: WATER RESTRICTION NOTICE

TO: BA-PHALABORWA RESIDENTS
