

Rehabilitation of Potgieter Street in town

This is to confirm that PMC has appointed Laelo Construction to rehabilitate Potgieter Street in town, the initial plan was to start with the project early next year however, due to pressure to spend some funds for our BBBEE audit, the project will start this year. The contractor is ready to start with the project tomorrow 07 December 2021.

The road will be closed for 3 days starting from the 7th of December 2021.

We do apologise for the short notice and the inconvenience caused.
