2. OBJECTIVES

Section 64 of the Municipal Finance Management Act (MFMA) requires the Accounting officer of a municipality to take all reasonable steps to ensure that the municipality has and maintains effective revenue collection systems consistency with section 95 of the Municipal Systems Act (MSA) and the municipality's credit control and debt collection policy and the requirements of section 104(1)d of MSA. As such the municipality charges and withhold consumer deposit and this policy must provide for the management of such consumer deposit.

3. FORM OF DEPOSIT

The deposit shall be in the form of cash/cheque deposit. Irrevocable bank guarantees will only be accepted after an application is made stating all reasons why deposit cannot be made in the form of cash or cheque and is approved by the Chief Financial Officer. Deposits are payable on opening of accounts and will be held until the account is closed/terminated.

At the time of registration as a customer, a deposit will be required based on the criteria set by the Chief Financial Officer from time to time.

No new account shall be opened on a stand which has an outstanding balance due to the municipality. The balance shall be paid in full or on arrangement prior the account can be opened.

4. AMOUNT OF DEPOSIT

The minimum amount of deposit which is equivalent to estimate of customer's average monthly utility bill for service will be set annually with the review of the policy. The deposit may vary according to the credit worthiness or the risk as determined by council.

Deposit will be due and payable on registration of new customers and or upon the movement of existing customer to a new address.

The municipality may classify customers in terms of their credit risk profile into three groups; (Competence of the FMS)

- Good Customers – Customer with a good credit record and pose no credit risk to the municipality,
- Moderate Customers – Customers with a moderate credit record and pose a credit risk to the municipality, and

- Bad Customers – Customers with a bad credit record and pose a significant risk to the municipality.
- Foreign Customer – deposit can be different to the one on the table on the merit and approval of the Chief Financial Officer.
- Only the Chief Financial Officer has the right to approve the amount other than in the policy.

The security deposit will accordingly vary according to credit rating of the customer as assessed by the municipality. Apart from the grouping above the municipality will categorise the customer type as hereunder and the minimum amount payable:

- If the consumer `s account is regularly in arrears, paid after due date.
- If the consumer s account is regularly in arrears and the average account is far more than the deposit.
- If the consumer `s service supply is regularly restricted or disconnected.

- When the debtor apply for extension of time to settle account.
- When payments by directs/negotiable instrument is dishonoured.
- If and when the debtor poses a payment risk to the municipality.
- When there is an increase in consumption of services.
- When reviewing the tariffs for the new financial year or such time when the municipality deems it necessary at its sole discretion.
- The municipality may increase the deposit up to or any 12 months' average usage.

That for the financial year 2022/23 all the deposits be reviewed in terms of this policy (schedule) along with the proposed revenue enhancement strategy.

6. INTEREST

The municipality will not pay any interest on deposits. All deposit paid shall not be regarded as being in payment of account due to the municipality, as such will be held by the municipality as its security until the account is closed (service terminated) and fully settled.

7. ALLOCATION OF PAYMENTS

Should the municipality increase the deposit as in the revision of deposit above, the amount paid shall first be allocated to the deposit and then other services as per the municipality`s credit control and debt collection policies and by-laws.

This sequence of allocation shall be followed notwithstanding any instruction to the contrary given by the accountholder.

8. REFUND OF DEPOSIT

On the termination of the service agreement, the deposit held by the municipality shall be refunded to the debtor within 45 days of the termination of service. However, the customer should make an application for the refund and should submit all the required documentation (i.e. letter to request refund, bank statement and copy of identity document). This should will be provided that the customer has paid the account in full, if the account has not been paid in full, the deposit will be applied to any outstanding amounts owed by the customer, if the deposit exceeds the amount due, the balance will be returned to the customer.

If the deposit is not sufficient to cover the amount due, the customer shall remain liable and notice to that effect shall be given to the client to settle the account after which credit control shall be applied. The municipality cannot be held responsible for not paying out the deposit that is not claimed, or paid out on time due to outstanding documents. It remains the responsibility of the consumers to claim and follow up on the deposits held by the municipality.

9. UNCLAIMED DEPOSIT

Only deposits which have been claimed by the customer will be refunded and these deposits will only be refunded to customers who can positively identify themselves as persons who have signed the agreement with councils, or in the absence of the

person the death certificate of such person. Guarantees will only be released upon the full settlement of the outstanding debt to council and the notice of such is made to the municipality.

Where the customer does not complete the termination of service agreement form, services are disconnected by the application of the new customer, it remains the responsibility of such person to claim their deposits.

The municipality may appropriate a customer's deposit on any account related to that customer. Where a tenant has absconded leaving a debt on a property, an additional deposit equal to the debt on the property, may be raised on the tenant's new account.

10. UNECONOMIC REFUNDS

Where the municipality deem uneconomic to refund a certain amount to be decided annually by council, such amounts will be consolidated and forfeited, if considerable paid over to charity or the organisation of choice by the Mayor of the municipality or set off against provision for bad debts.

Where the customer has another account with the municipality Credit can be transferred between accounts, same where the account is in arrears (Section 102(1) of the Municipal Systems Act)

11. IMPLEMENTATION AND REVIEW

Council has discretion power to amend any clause, stipulation or tariff embodied in the deposit policy in the interest of the parties concerned.

12. SHORT TITLE AND COMMENCEMENT

This policy will be known as the deposit policy of Ba-Phalaborwa Municipality and shall commence on the date of adoption by municipal council resolution.
