#### Mayor's speech for tabling of the 2020/21 Adjustment Budget

Honourable Speaker, Cllr. Hlungwani E; Chief Whip of Council, Cllr Rapatsa D; Members of the Executive Committee; Chairperson of MPAC, Cllr. Pilusa K; Honourable Councillors; Traditional Leaders and Representatives of Tribal Authorities; Municipal Manager and the entire Administrative Staff; Ladies and Gentlemen,

Honourable Speaker, Section 28 of the Municipal Finance Management Act, 2003 (MFMA) allows a municipality to revise its approved budget through an adjustment budget. An adjustment budget amongst other things: -

- Must adjust the revenue and expenditure estimates downwards or upwards if there is material under/ over collection of revenue during the current year;
- May provide for any other expenditure within a prescribed framework;
- May correct errors in the annual budget;
- May, within a prescribed framework, authorise unforeseeable and unavoidable expenditure recommended by the Mayor of the municipality;

Honourable Speaker, National Treasury initiated the process of stopping and re- allocation of grants in terms of section 19 and 20 of Division of Revenue Act, hence we are gathered here today to approve the changes that were effected as a results of the revised division of revenue act issued and affected our municipality.

It must be noted that only capital grants were affected by the stopping and re- allocation. This stopping however, does not imply that projects should stop, rather as a municipality we should reprioritize in order to accelerate on the committed projects.

Honourable speaker the total revenue budget will remain unchanged at R605 million for this special adjustment budget 2020/21.

Operating expenditure budget will also remain unchanged at R589.5 for 2020/21 financial year

Honourable Speaker, the capital budget decreased from **R50.5 million** to **R50.1 million** 

The only affected grant was MIG which was reduced by **R391 thousand** as a results of stopping and reallocation gazette issued by National Treasury

#### EXECUTIVE SUMMARY

In accordance with Section 28 of the Municipal Finance Management Act, 56 of 2003, a municipality may revise an approved annual budget through an adjustment budget. In terms of Section 72 (3) of the MFMA, the Accounting Officer must as part of review, make recommendations as to whether an adjustment budget is necessary and recommends revised projections for revenue and expenditure to the extent that this may be necessary.

#### The section further provides that an adjustment budget may authorise the following:

- a) Provide for any other expenditure within a prescribed framework.
- b) Correct any errors in the annual budget (Budget overstated and under-stated)
- c) Spending of funds that were unspent at the end of the past financial year where under-spending could not reasonably have been foreseen at the time to include correctly projected roll-over amounts when the annual budget for the current year was approved by Council.
- d) Appropriation of projected savings in one vote towards spending under another vote.

LIM334 Ba-Phalaborwa - Table B4 Adjustments Budget Financial Performance (revenue and expenditure) -

The above table shows the total revenue of R605 million for adjustment budget 2020/21, which remains unchanged

The municipality has employed a pool of debt collectors to assist with long outstanding debts especially in the townships where there is a culture of non-payment of services.

The debt book has already been handed to the debt collectors and improvement has been noted compared to before making use of debt collectors.

The municipality also implement its credit control policy by issuing a cut-off list on a monthly basis in order to force those that are owing to pay for services rendered.

There is a need for Ba-Phalaborwa municipality to focus on collecting revenues owed to us and eliminate wasteful and non-core spending.
