

Transport Month 2015

Celebrated under the theme: ***“Together we move South Africa Forward.”***

The Ba-Phalaborwa Municipality Traffic Department commemorates the October Transport Month (OTM)

On Saturday, the 10th October 2015, the Ba-Phalaborwa Municipality Traffic Department hosted the National Traffic Police (NTP) and the Limpopo Provincial Traffic Department to commemorate the OTM in the Ba-Phalaborwa Municipality’s area of jurisdiction.

The first October Transport Month Campaign was launched in 2005 thereafter the October Transport Month (OTM) is observed in South Africa every year and is used as an opportunity to focus on transport-related matters.

On the day of the commemoration more emphasis was placed on driver’s fitness *inter alia* sobriety and vehicle fitness mainly roadworthiness especially the public transport sector.

The success of the campaign is captured in the visuals displayed below:

The Director of Community and Social Services is seen giving support to the law enforcement agencies by participating in the campaign.

A bus being inspected for roadworthiness at the Ba-Phalaborwa Municipality's Vehicle Testing Station.

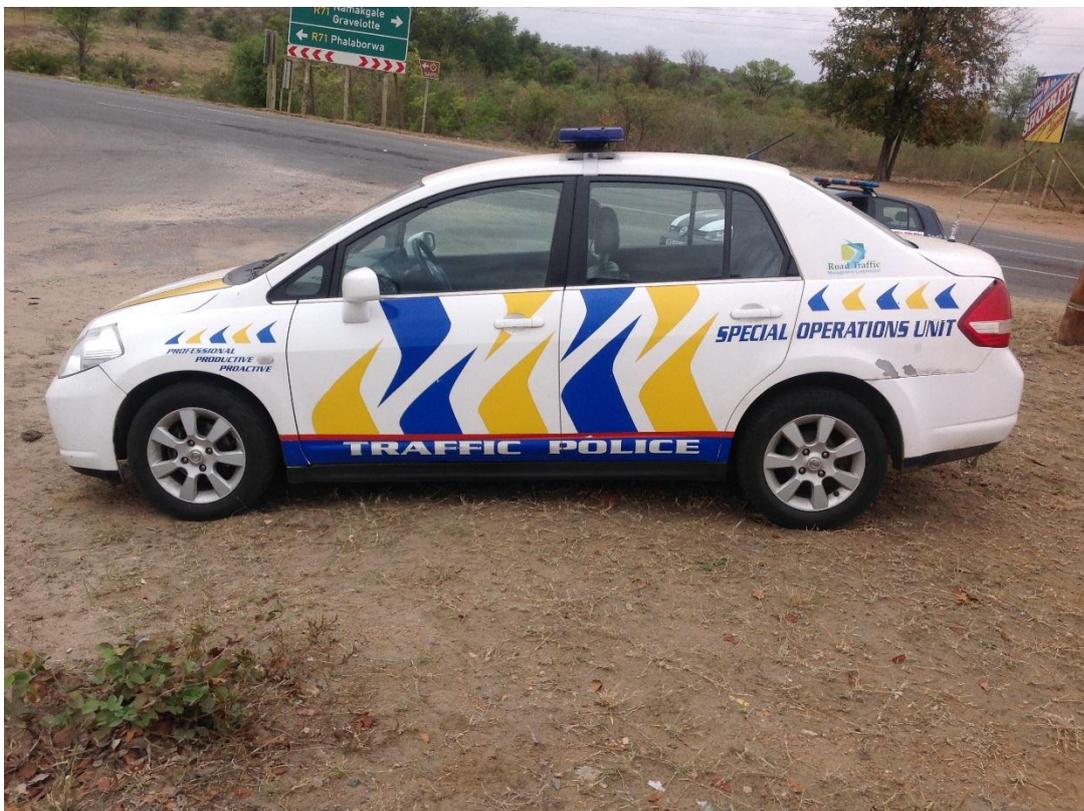

The National Traffic Police patrol vehicle.

A suspected defective bus is escorted in the front by the Provincial Traffic Police patrol vehicle and at the back by the National Traffic Police patrol vehicle to the Ba-Phalaborwa Municipality's vehicle roadworthy testing station.
