PUBLIC NOTICE

Ba-Phalaborwa Local Municipality, situated in Limpopo Province, in Mopani District, South Africa, in partnership with the Department of Agriculture and Rural Development, will embark on a compulsory annual immunization program for all dogs and cats from three months and older. The program aims to manage different outbreaks of various ailments such as zoonotic diseases that can affect animal and human health. The vaccination will prevent sicknesses not limited to rabies, parvovirus, distemper in dogs, and feline viral infections in cats. This program will also enhance public health, and control animal populations as well as community resilience. The vaccination program is scheduled as follows:

Date : 08 -10 October 2024
Venue : Impala Park Sport Stadium
Time : 09H00 AM -18H00 PM
