1. INTRODUCTION

The aim of the Personal Development Plan (PDP) is to ensure that Employees are skilled to meet objectives as set out in the Performance Agreement as prescribed by legislation. Successful careerpath planning ensures competent employees of current and possible future positions. It therefore identifies, prioritises and implements training needs.

Legislative needs taken into account from the Municipal Systems Act Guidelines, generic senior management competency framework and occupational competency profiles, Municipal Finance Management Competency Regulations, such as those developed by the National Treasury and other line sector departments' legislated competency requirements need also to be taken into consideration during the PDP process.

2. COMPETENCE MODELLING

The Department of CoGTA has decided that a competency development model will consist of both managerial and occupational competencies:

Managerial competencies should express those competencies which are generic for all management positions

Occupational competence refers to competencies which are job/function specific.

3. COMPILING THE PERSONAL DEVELOPMENT PLAN

A manager, in consultation with his/her subordinate is to compile a Personal Development Plan. The PDP has 7 columns that need to be completed. An example is attached.

Column 1: Skills/Performance GAP

1. Skills/Performance Gap (in order of priority)	2. Outcomes Expected (measurab le indicators: quantity, quality and time frames)	3. Suggested Training and/or developm ent activity	4. Suggested mode of delivery	5. Suggested Time Frames	6. Work opportunit y created to practice skill/develo pment area	7. Support Person
E.g. 1. Appraise Performance of Managers	The manager will be able to enter into performance agreements with all managers reporting to him/her, appraise them against set criteria, within relevant time frames	A course containing theoretical and practical application with coaching in the workplace following [relevant unit standard]	External provider, in line with identified unit standard and not exceeding R6 000	March 200	Appraisal of managers reporting to him/her	Senior Manager: Training/HR
